

Each autumn, disc golfers from around the world gather at their local courses for one purpose: to throw aces! No putting, no approaching...just runnin' at the chains.

To add to the challenge and excitement, players all throw the same model disc: a brand new, never-seen-before Discraft prototype disc that is introduced each year especially for the One Disc Ace Race. All players get one of these discs to throw, and one to collect. You'll be among the first players to ever throw this new disc design. The player with the most aces after 36 holes is declared the winner. In case of ties, the number of metal hits is used as a tie breaker. If a tie persists, a closest to the pin contest is then used to determine the event winner.

Format: Two rounds of 18 holes, one throw per hole per player.

When: September 11th, 2010 Opens at 10AM and goes all day long. Please come anytime during the day to play your rounds. The event will end at about 6PM. Your two rounds of the Ace Race will take about 1 hour, so you don't have to stay all day. However, we will have many other free side games to play. So, if you want to stay, there is a lot to do.
